Leap into learning

In Term 4 Leap into Learning will be every Tuesday at Tyabb Railway Station Primary School.

When: from Tuesday October 9th (until December 18th)
Time: 9.45-10.30
Where: The Schoolhouse

Tyabb Railway Station Primary School is pleased to announce the extension of our preschool Leap into Learning program. Beginning in Term 4 join us every week in our beautiful and historic schoolhouse for an engaging storytime learning activity. Exchange books, meet families in your community and start the journey to school by familiarising your child with a learning environment. A small group of current prep students will work alongside as mentors supporting cross age tutoring. Sessions are implemented by prep teachers and will include opportunities to observe the transition programme for incoming students in 2013.
