HAPPY BIRTHDAY !!!!!
August Birthdays:
1st Bailey RM4
10th Tyson RM3
13th Rohan RM5

GOOD LUCK TO OUR LIONS QUIZ STUDENTS: ALLY, TAINUI AND BAILEY WHO WILL BE COMPETING TONIGHT AT SOMERVILLE RISE PRIMARY SCHOOL.

P&C News
The P&C would like to invite you to a coffee and catch up at The Hungry Peacock, Mornington Tyabb Road, Tyabb.
Date: Tuesday 16th August 2016
Time: After school drop off (approx. 9.15am)
Together we can come up with ideas on fundraising and ways to better our school by using our likeminded ideas...
This is just to meet and enjoy a coffee in a relaxed environment. Children are most definitely welcome.
Hope to see you there!
Leah Pendlebury

Room 3: Trey Room 6: Xavier

Week commencing 8th August:
Room 1: Nixon Room 4: Taylor
Room 2: Logan Room 5: Devin
Room 3: Tyler Room 6: Elliot

Our Mad About Science incursion was a BLAST!!!
Foundation to Year Six were involved in stacks of awesome experiments on topics related to their classroom science units. Foundation are studying weather and we got to make snow. Make clouds understand the water cycle and look at cool UV light beads! We even got to take some home!!
Thanks Mrs Rossi for organising it.

Chi was as student at tyabb railway from prep to grade six and is now a scientist sienna. Penny and havey wonder if they will grow up to be scientists one day too!

GOOD LUCK!!!!
Last week saw a very busy week indeed with our Chinese visitors from our sister school Nanjing Huo Wa Xiang Primary School. Congratulations to our students of TRSPS for making our visitors feel so welcome. It was wonderful to see the students interacting with each other, not only in the classroom but in the playground. We have created everlasting memories around our school with our visitors creating artwork displayed in our garden, together with decorating one of the totem poles with their hand prints.

A big thank you to the staff who volunteered to host our visitors in their own homes and took the time to show our visitors local sites and experiences in their own time. I am sure there was some shuffling around to accommodate them in their homes, and this was greatly appreciated.

After spending the week at our school, our visitors were off to explore Sydney for a further 6 days before heading back home to China.

We are already planning for 2017. If you know of a friend or family member who is intending on enrolling their child for Foundation at our school, we would appreciate if they could please enrol as soon as possible. This will then enable us to properly plan for class structures for 2017.

The P&C are meeting for a coffee and chat on Tuesday 16th August at approximately 9.15am at The Hungry Peacock. This is a great opportunity for parents to get to know one another in a relaxed environment and come up with some fundraising ideas. We have a few fundraising events coming up such as Blokes Night and Footy Pie Day. Please help support our school by joining in and helping our hard working parents raise much needed funds to purchase commodities for our students to enjoy.

Congratulations to two of our Year 6 students who have been awarded scholarships to Western Port Secondary College for 2017. Ally has been awarded the General Excellence Scholarship and Emily has been awarded the Sustainability Scholarship. Both students have also been accepted into the YES (Youth Excellence Stream) Program as well. We are very proud and excited for the girls in what looks like a very positive beginning for Secondary School life.

Tyabb Primary School ICT Department are running an information session focussing on cybersafety and have kindly invited our school community to attend. The session forms part of the eSmart program and is run by the Alanah and Madeline Foundation. The information evening for parents will be held on Tuesday 16th August, 5pm to 6pm. This workshop will provide tips and strategies about how to best educate our children to be savvy online users and consumers. Parent/carers will be provided with the latest research and trends towards protecting children and how to empower children to use safe, smart and responsible behaviours in the digital space. We thank Tyabb PS for this invitation.

Emma Slater, Acting Principal
