**BANKING 2016!!**

Student banking is a great way of fundraising for the school. The school receives $5.00 for each new account opened by a student. For every deposit, the students make the bank donates 5% of each deposit, which goes directly back to the school. So all in all it's a win-win situation for all concerned. Students are saving money, and at the same time raising money for the school to get new books, sports equipment or whatever is needed most. So if you don’t already have an account, why not open one today!

**Deposits are made each Thursday.**

Any students wishing to partake in student banking Applications can be downloaded from commbank.com.au/schoolbanking under the For Parents tab.

Tyabb Railway Station Primary School...a school creating
global citizens...explore the possibilities!

Congratulations Caitlin on winning an IPad at the Western Port Secondary School Open Night! The year 4 students visited the College today as part of their celebrating English as a Second Language program. Our students have been recording the stories written by their Chinese counterparts, to support their grammar and pronunciation of the words in their stories.

This week, our students have been Skyping into Nanjing, China as part of their celebrating English as a Second Language program. Our students have been recording the stories written by their Chinese counterparts, to support their grammar and pronunciation of the words in their stories.

During the holiday period, Mrs Slater and I hosted the Principal team from St Luke's Primary School in Manchester England. The Principals were very impressed with our grounds and with our Positive Behaviour Program, encouraging students to take responsibility for their actions! They left us with some post cards written by the students from their school, and our students are now busily reviving the art of letter writing!
