School Assembly
Don’t Forget that our weekly assembly is held each Friday afternoon, commencing at 2.55pm.
As always, all parents/grandparents/friends are more than welcome to attend.

School Hats
Please ensure your child has a school approved hat. School hats must be broad rimmed to provide sufficient protection from UV rays. Please note that caps are not acceptable as they do not provide necessary protection from the sun and UV rays. Thank you for your cooperation.

TRIPS 2017 Leaders
We have a slightly different leadership program in 2017. This week our senior students nominated themselves for the positions to which they felt the most suited, and where necessary, a vote was carried out. As a result, we are thrilled to announce our captaincy positions for 2017.

Sports Captains Red House: Caden and Jake L
Sports Captain Blue House: Jake S and Callum
Sports Captain Gold House: Brayden and Skylah
Sports Captain Green House: Ryan and Tainui

PARKING!!!!!!
Please note:
There is a ‘No Standing’ zone opposite the front of the school. Once again parents are reminded not to use the Taranto Farm’s driveway for turning in. The Mornington Peninsula Shire has informed the school that parking inspectors will be visiting throughout the year. It is imperative for our children’s safety that people obey driving and parking laws at all times.
There is sufficient safe parking behind the community hall and at the front of the school.
Due to Education Department regulations, parents are not to use the staff car park in the interest of student safety.

Wednesday is sport day! Thank you to the parents who have scoured the shops to purchase a polo t-shirt in their child’s house colour (especially if you are in Green House). As you can see from the photo, it looks terrific and the students love supporting their house. Students can also wear their house colours at our Kaboom Kids Sport event and our upcoming swimming carnival.

"To be the best I can be"
Principal’s Report

So much is happening here at Tyabb Rail. The opportunities our students are experiencing so early in the year is fantastic. The STEM program commenced on Monday which our Grade 5/6 students have been invited to attend. This program is extremely well organized by Westerport Secondary College and our students thoroughly enjoyed their first session. Our students featured in an article in the local paper of their experience at the STEM program which further enhanced the positive work Westerport Secondary College is achieving, not only for their own students, but for local primary schools as well. We are very grateful to Westerport Secondary College for inviting our students to be a part of this wonderful program.

The BOLT (Bikes Over Lunchtime) Program also commenced this week. Selected students thoroughly enjoyed this program and are very much looking forward to the next session. Look out for a report on this program from the students involved on our webpage in the next few days.

Kaboom Kids Sports evening is next week (Thursday 23rd February, 4.15pm - 6pm). We have invited the local kindergarten to also join in on all the fun provided by Kaboom Kids Sports. Our students will remember from last year how much fun Luke provided (and the awesome music!). Please come along and enjoy a fun filled evening with Luke from Kaboom Kids Sports. There will be a sausage sizzle, drinks and zooter doopers for sale. Everyone is guaranteed to have a fantastic time!

We hope everyone has their costumes ready for the Western Port Festival (Saturday February 25th). Students will need to arrive at the marshalling area by 11.45am with the parade beginning at 12.15pm. The duration of the parade is approximately 45 minutes. This is a wonderful community event that we look forward to participating in each year. I will be there to meet everyone and look forward to a fun filled day.

What is a yabbie? For our new families the students may have mentioned receiving a ‘Yabbie’. This is when students can receive a ‘Yabbie’ when behavior expectations have been witnessed by a staff member. Yabbies can be collected and exchanged for a ‘prize’ from our ‘Yabby Shack’. The Yabby Shack is open every second Thursday for the students to trade their Yabbies.’ We have many items in the Yabby Shack and each item has a different ‘Yabbie’ value. This also encourages students to budget for a particular item that they might like to purchase.

Have a great weekend and be the best you can be!
