LOST PROPERTY

A reminder to families to name all school clothing clearly. There are a number of items in the lost property tub at the moment, the majority with no names. Items can be returned easily when names are clearly marked.

Peninsula Health Children's Services

Peninsula Health Children's Services are for children with mild - moderate delays who live in Frankston or the Mornington Peninsula. The Children's Services Team support children getting to their full potential by providing developmentally appropriate activities and strategies. They are part of broader services at Community Health for the whole community.

Services include:
- Speech Pathology - For children up until entry to school
- Physiotherapy - For children with developmental issues up until entry to school. For other issues, all ages can access.
- Occupational Therapy - For development issues up until prep
- Psychology/Counseling
- Podiatry - All ages
- Dietetics - All ages
- Audiology - 9 months – 18 years

Children are eligible for services if they demonstrate concerns in one or more of the following areas of their development:
- Communication
- Gross motor
- Social, emotional or behaviour
- Sensory Processing
- Fine motor Skills
- Post or leg
- Dietary
- Hearing

To book an appointment with the Peninsula Health Children's Services, phone 1300 655 781.

Term three in Room 1 has been busy!

The students have been working hard to investigate 'matter' during our science sessions and have enjoyed poking, prodding, racing and experiencing solids, liquids and gases. Our recent science incursion ‘Mad about Science’ allowed us to go a step further with our investigations allowing us to experiment using dry ice!!

Our inquiry unit began with students engaging in creating our very own ‘Australia’ and experiencing federation. This led to the election of a Prime Minister where we were able to vote for our favourite speech using a preferential voting system. Chloe was duly elected after submitting a fantastic speech which inspired the class to think about our future. Tainui came in a close second and is proving himself a fantastic ‘shadow minister’.

Congratulations to Chloe, Bailey, Tainui and Ally for representing our school at the annual Balnarring Lion’s Club ‘Lion’s Quiz’. The team studied hard and made us very proud on the night. Well done.

We are now focusing our leadership skills on the facilitation of a whole school Olympic event to be held later in the term (more information to come).

- Term 3 is certainly rolling along very quickly with only 3 weeks remaining. We have quite a lot planned so it will be very busy!
- Our annual Bloke’s night is just around the corner. We encourage all our students to bring along their special ‘bloke’ (Dad, Grandad, Uncle, Friend) in their lives to enjoy a fun night together. There will be raffles, mini competitions, displays, fun photo booth pictures, badge making, sausage sizzle, coffee van a special guest speaker and more. Please save the date, Thursday 1st September from 5.30pm to 7.30pm. Our P&C members have been busy gathering donations for raffles and door prizes, if you are able to assist or know of anyone who may be able to assist, please contact Mandy at the office as every small contribution can make a big difference to our great little school. This is also one of our main fundraisers for the year, so we encourage families to help support our school. If any parents are able to assist on the night, it would be greatly appreciated.
- The Father’s day stall will be held on Friday 2nd September. Prices range from $1-$5. The P&C ask that students bring along a plastic shopping bag to take home their goodies safely. This year it has been decided we do a Christmas concert in lieu of the Production. We have secured a booking with Soundshell (portable stage) to conduct our Christmas concert here on the school grounds. We have made a booking for Wednesday 7th December from 5.30pm to 8.00pm. Our very busy P&C are already putting plans into place to ensure another great evening for our students and families to enjoy. Once again if you are able to offer your assistance in any way it would be greatly appreciated. This will be a fabulous way celebrate the end of the school year.
- Congratulations to Xavier A who has now completed the Premier’s Reading Challenge along with Ruby B and Lachlan A. We have several other students who are very close to finishing and we wish them all the best over the next 4 weeks as they aim to complete the challenge!

Thank you from P&C

The CPDPSSA District Athletics Carnival was unfortunately postponed today at Ballam Park due to poor weather. Students who are participating will be notified of a new date in the coming week or so.

Don’t forget our Curriculum Day is 7th September. No students are required at school on this day. Our teachers will be looking at our current strategic plan and looking ahead to set new goals and targets for 2017. All staff will also be attending First Aid Training.

In the next couple of weeks we will be practising our school emergency evacuation procedures , including lock down and fire drills. We have some terrific incursions coming up, please check the September dates. This will be a great way to end a very busy Term 3. Have a great weekend!

Emma Slater, Acting Principal
