**BANKING 2016!!**

Student banking is a great way of fundraising for the school. The school receives $5.00 for each new account opened by a student. For every deposit the students make the bank donates 5% of each deposit, which goes directly back to the school. So all in all it’s a win-win situation for all concerned. Students are saving money, and at the same time raising money for the school to get new books, sports equipment or whatever is needed most. So if you don’t already have an account, why not open one today!

**Deposits are made each Thursday.**

Any students wishing to partake in student banking Applications can be downloaded from commbank.com.au/schoolbanking under the For Parents tab.

Grades 3–6 Camp to Wombat Corner reports:

Last week years 3–6 went on a camp at Wombat Corner. We all got a chance to go on all of the fun activities. Two of my favourites were going for a ride on puffing billy and going canoeing in the lake, trying not to catch the ducks! One of the nights at the camp we went on a bushwalk. Wombat Corner is a great camp, I loved it!

By Madaline.

Over the past week, we have been very proud of our students in their involvement in the ANZAC Day ceremony and their outstanding behaviour on the year 3-6 Camp in Belgrave. Once again, I would like to acknowledge the dedication of the staff in our school, who leave their families whilst camp is on, for no further remuneration, to provide opportunities for your children to experience an outdoor education program.
