2 May, 2018

Dear Parents,

As part of our Science curriculum we have organised a special Science incursion for our school. On Wednesday May 23rd, we have the Mad About Science team organised to come in and work with our students.

Our students will be working on aspects of Chemical Sciences. Foundation to Grade 6 will be working on a program called Chemistry Chaos . They will all be part of one of the 5 x 60 minute workshops which will extend their understandings in this area of Science.

The cost for the workshop is \$8.50 per student which will cover the cost of the presenters and a variety of resources for the students to use.

Staff and students have been part of these presentations previously and highly recommend their programs.

Payment will need to be made before Friday 18th May.

Michelle Sommers
Science Coordinator

Mad About Science Incursion

My child _____ of room _____ has my permission to attend the Mad About Science incursion on Wednesday May 23, 2018.

I have enclosed \$8.50 payment Please use CSEF (**please check with the office**)

I have transferred \$8.50 using my Bpay details (*see office for unique code*)
