Turn The Tide – Phillip Island Nature Parks Program

27th June, 2018

Dear Parent/Guardian,

I am writing to let you know of a fantastic, **free** opportunity for our Grade 5/6 students. Phillip Island Nature Parks have kindly invited us to participate in the *Turn The Tide* educational program running in Term 3 and 4 of 2018.

This program includes an incursion to our school on **Monday 16th July**, and an excursion to Phillip Island Nature Parks on **Monday 6th August**.

This program connects our school with Phillip Island Nature Parks to learn how they have 'turned the tide' on biodiversity loss through their diverse range of conservation programs. This then leads our students to developing a program to make a difference around our school or local community.

Further information regarding excursion times and what to bring will be provided closer to the date.

Could you please fill in the consent form below and return to school by **Friday 27th July (Week 2 of Term 3)**.

Regards,

Nicole Esler
